

Ref:

ORL1005-BL-NL

Item No: TWIST AND LOCK – 21960

orlight[®]
FROM SOURCE TO SITE

The fixed Twist & Lock series feature a minimalistic design created to be unobtrusive and subtle in-situ. The twist and lock mechanism with retaining ring allows for simple lamp change. Suitable for 50mm retrofit light sources. Orlight does not recommend cutting of holes prior to receipt of product in hand.
